To,

The registrar,
Kavayitri Bahinabai Chaudhari North Maharashtra University
Umavi Nagar, Jalgaon.

Subject: Incorporating the changes in the curriculum based on the analysis of the feedback collected from the stakeholders.

Dear Sir,

Our institution would like to intimate the University about incorporating the changes in the curriculum prescribed by pharmacy council of India and accepted by KBCNMU Jalgaon. The institution has collected feedbacks on the curriculum from its stakeholders after the completion of the semesters.

We are hereby attaching the copy of feedback analysis and action taken report (ATR) for your perusal

Thanking you.

Dr. S.P. Pawar
(Principal)

ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2017-18

STUDENT FEEDBACK ON CURRICULUM

SUMMARY

This organization is affiliated to NMU Jalgaon and following the syllabus prescribed by university. From this year university had adopted the PCI prescribed syllabus for the B. Pharm and M Pharm Course as. The academic year 2017-18 was the implementation year new syllabus for first year B.Pharm and M.Pharm. After completing the one year of curriculum the institute collected and analyzed feedback from teachers and student at college academic meetings in the institution. Based on feedback the college is suggesting you the following points that to be incorporated in syllabus

- The university must take the recommendation from all the affiliated pharmacy colleges to improve the blue print of syllabus for pharmaceutical sciences as PCI syllabus have the flaws.
- The new syllabus had reduced the weightage of Pharmacognosy subject and to balance this subject must be added to semester III or Semester VII or VIII.
- From structure it is quite evident that theory and practical courses balance in PCI prescribed syllabus is not well adjusted and need refinement through collective efforts.

Suggestions and remarks about curriculum are conveyed by Principal to the University through amending meetings in the University and it is made perfect to suit the students instead of mere gathering of information so that it can enhance the ability of the students to think innovatively.

STUDENT FEEDBACK ON CURRICULUM

SUMMARY

This organization is affiliated to NMU Jalgaon and following the syllabus prescribed by university. From this year university had adopted the PCI prescribed syllabus for the B. Pharm and M. Pharm Course as it is. After completing the curriculum for academic year 2018-19 the institute collected and analyzed feedback from teachers and student at college academic meetings in the institution. Based on feedback the college is suggesting you the following points that to be incorporated in syllabus

- The university must take the recommendation from all the affiliated pharmacy colleges to improve the blue print of syllabus for pharmaceutical sciences as PCI syllabus have the flaws.
- The new syllabus included the practical for pharmacology-II in semester III are all software based making student less skilled in preclinical studies. Few animal or tissue based experiments are needed for animal handling skill development
- From structure it is quite evident that theory and practical courses balance in PCI prescribed syllabus is not well adjusted and need refinement through collective efforts.

Suggestions and remarks about curriculum are conveyed by Principal to the University through amending meetings in the University and it is made perfect to suit the students instead of mere gathering of information so that it can enhance the ability of the students to think innovatively.

ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2020-21.

STUDENT FEEDBACK ON CURRICULUM

SUMMARY

This organization is affiliated to NMU Jalgaon and following the syllabus prescribed by university. From this year university had adopted the PCI prescribed syllabus for the B. Pharm and M. Pharm Course as it is. After completing the curriculum for academic year 2020-21 the institute collected and analyzed feedback from teachers and student at college academic meetings in the institution. Based on feedback the college is suggesting you the following points that to be incorporated in syllabus

- The university must take the recommendation from all the affiliated pharmacy colleges to improve the blue print of syllabus for pharmaceutical sciences as PCI syllabus have the flaws.
- The details about the practice school course introduced in the fourth years semester VII was incomplete and created a confusion among the teaching staff and students. To address this university should provide detailed description or else conduct a training or induction program.
- There must be inclusion of practical courses for final year as only one practical in semester VII and no practical's for semester VIII rendering student less competent in practical aspect of pharmacy profession.
- From structure it is quite evident that theory and practical courses balance in PCI prescribed syllabus is not well adjusted and need refinement through collective efforts.

Suggestions and remarks about curriculum are conveyed by Principal to the University through amending meetings in the University and it is made perfect to suit the students instead of mere gathering of information so that it can enhance the ability of the students to think innovatively.
