Jalgaon

Annual Report 2020-21

P. S. G. V. P. Mandal's College of Pharmacy was established in the year 1994 by Honorable Sahakar Maharshi Late. Shri. Annasaheb P. K. Patil with the objective to educate, motivate and uplift the vocational skills of young generation of peasants and the landless workers. This helps to upgrade the quality educational facilities in almost all the disciplines.

The College is a premier academic institution in this region, located in 250 acres sprawling campus absolutely serene such that a student automatically turns himself to learning with full concentration and devoid of diversions.

The College provides for instruction in various under-graduate and post-graduate and doctoral courses in the faculties of in the faculties of pharmacy. The teaching faculty consists of learned faculty members and experts in their own subject discharging their duties with a sense of dedication and devotion. Freshers party is given to fresher students to avoid the barrier between the seniors and juniors. Various seminars and workshops are conducted to give advanced knowledge to faculty and students. It also helps to get the opportunity to interact with the eminent personalities of the field. Various Initiatives are taken for development of students. The programs taken by the institute are given below in table. College has legacy of excellent results in University exams. Various research publications are done by staff members and students. Various books are also published. Extension activities are conducted by college for social awareness on various topics. Our students are achieving good in various fields like sports, cultural fields etc. in inside as well as outside the college. Students are qualifying entrance exams like GPAT. It was difficult in the Covid-19 lockdown to tackle all the problems. But the support of Management, Staff and students made it possible to arrange the webinars on recent topics. Annual gathering and Prize distribution is organized to felicitate the achievements of students in various curricular and co-curricular activities. This year too it was not possible to organize the same due to lockdown.

Lastly, The graph of college should go high always. The report of the college is as follows in the table given below:
