### 7.3 Institutional Distinctiveness:

*"To become center of excellence of pharmacy education & Research to provide world class professionals & serve humanity at large"*

#### 7.3.1-Portray the performance of the Institution in one area distinctive to its priority and thrust.

**Title:** One day Medical Camp -2022 (Cardiac Diagnosis Camp)

**Objective of Activity:** Empowerment of common rural ladies student to participate in the event and

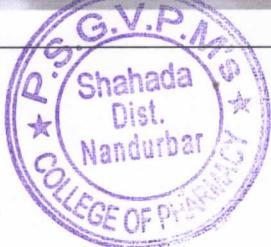

perform the various activities during the day time.

#### We fulfill our Vision, Goals and Objectives in the *Mission mode*, which are determined by this HEI

The aim of starting of the college in this rural area was to provide an opportunity to the rural students of this area, especially the rural girl students to pursue the higher education for their development and progress of the family. It is to be noted that the two-thirds of total enrolled students are girl. So, in accordance with mission statement HEI gives exposure to the girl students to get an opportunity to participate in every curricular, extracurricular and extension activities very actively. This is done by various committees, e.g. through the NSS, personality development program, etc. The programs for the student get a stage and dais to develop their academic as well as their personality, professional, cultural, social consciousness, alertness and responsiveness.

Every year as an occasion of our beloved founder president Late Shri. Annasaheb P.K.Patil's birthday we organize a medical camp for the needy people of area around shahada. This event is organised by our mandal with active participation of pharmacy college ladies students. These students not only actively participate in event but they actually perform the duties assigned by the physician and lab technician by taking blood samples, sample testing on blood testing machine, results generation, diagnosis etc. So overall the students knowing these activities and rest are trained for such activities so they can perform in socio event.
